May Team Trip Report

The eight-member team arrived in Leh on May 17th to begin their journey to Puga to do

school repairs and spend time with the students there. The teachers and students were delighted when we delivered school supplies, warm hats to them. Lots of electrical and construction work was accomplished thanks to many hands.

July Team Trip Report

A six-member team left for Delhi on July 17th but found that weather kept them from arriving in Leh on schedule. They were nevertheless able to spend time at the Nepali Hostel in Leh participating in a special Children's pro-

gram and then traveling on to the Village of Tangyar where they did construction and worked with the children in that community. This was the first BTW team going into this community and they found a warm welcome.

First Fundraiser a Success

The first of many BTW Fundraisers was held on July 20th and in spite of the extremely hot weather many people attended the Craft and Tag Sale. We were able to raise over \$1400 to be used for the teams next year. There are two auctions upcoming that will

add to our total. Many thanks to the people who donated items and a BIG thank you to the team that spent the day helping in order to make this fundraiser a success!
