WE WILL MISS YOU

As we make plans for the 2024 team, we will miss our faithful friend Dale.

THANK YOU DALE FOR YOUR SERVICES TO BTW by Mary

The first thing I noticed about Dale when I met him in India for the first time was his infectious laugh. His joy for life was evident and he brought a lightness to our group. His outgoing personality helped us to find unity as we worked together in the small town of Leh and the smaller village of Digger. His competence with the carpentry tools and his creativity and problem-solving skills helped us work together to bring much needed improvements to the

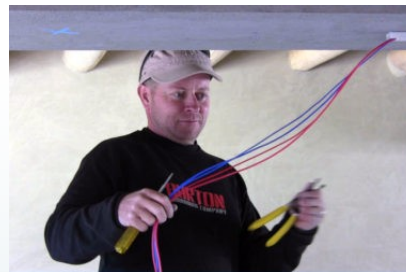

schools in the villages. His zeal for life and his passion for God

was evident not only to us, but to the people of India, with whom we went to share.

Dale's commitment through the years to BTW was a blessing to everyone who had the privilege to work with him.

We thank his dear wife, Cathy, along with his sons, Ethan and Jude, for sharing Dale with us as he used his precious spare time serving others as a Board member and on many trips to India. He will be long remembered by many around the world.

Psalm 116:15 tells us, "Precious in the sight of the Lord is the death of his faithful servants."

We will miss you, Dale, but there is rejoicing in heaven!

JESUS LOVES THE CHILDREN OF THE WORLD

REPORT FROM JAY

I guess in the 21st century no one really believes Satan runs around in a red suit with a pointed tail holding a pointed staff. That figure obviously does not exist. However, do people believe that there is an evil entity called Satan who has a host of spirits called demons to do his bidding? They should. Paul in Ephesians is clear. The born-again sons and daughters of God are not left alone to live peaceable in this life. We are in a struggle against several forces including evil spiritual forces. We are able to live victoriously!

Ephesians 6:12 "For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and spiritual forces of evil in the heavenly realms."

We sensed during the 2023 project that the battle was intense. As we drove through chest-high waters all around the vehicle in many places, we were aware that the battle was not just a battle against the forces of nature, but there were spiritual forces at work against us. This

verse came to mind the other day when I was reliving the moments of our Project travel...

Isaiah 43:2 "When you go through deep waters, I will be with you. When you go through rivers of difficulty, you will not drown. When you walk through the fire of oppression, you will not be burned up; the flames will not consume you."

We give all the praise to God that in spite of the obstacles that came our way, the 2023 team was able to accomplish much of what we had planned. The trip resulted in a new approach to what BTW will do in the future.

These trips are for the called ones: He calls, He protects, He guides, He teaches, He provides, He communicates, He controls our lives and leads us to the place that He wants for us. Because He loves us.

Team 2024 will be leaving on May 21st and returning home on June 3rd. You will note that is a change of date from previously announced. We learned that because of the weather, the roads will not be open at the time we had expected to go.

Is God speaking to you to go? Are you available? Please contact us if you feel our 2024 Project is in God's plan for you. Please be in prayer for the new and exciting approach for BTW.

2024 Team Member by Chris

India is one of the most unique places on earth. It has the largest population in the world, and every state has its own language with multiple dialects. It is one of the oldest cultures in the world.

Sia La Guest House

New Horizon Church made it possible for me to begin going to India in 2015 with an organization named RHEMA (Ron Herrod Evangelistic Ministry Association) that trains national pastors. RHEMA's vision is to train men who know the language and culture to reach their people with the Gospel of Jesus. New Horizon Church has made it possible for me to serve with RHEMA eight times. New Horizon also took teams to work with national pastors in the slums of Delhi. New Horizon purchased sewing machines and took a team to teach those in poverty how to use them to provide income for themselves. New Horizon also supports two national pastors financially.

As you can see New Horizon is very committed to India. We are very excited and grateful to join the BTW 2024 team and their work in India among the un-reached people groups.

Downtown Leh

The 2024 Team 1 will be in Leh staying at the Sia La Guest House and working on the renovation of a coffee house while Team 2 will be going up into the Highlands to visit the tiny Village of Dipling to see what BTW can do for them in the future and bring them warm hats and much needed school supplies.

PRAYER REQUESTS

- **Financial support for the 2024 team**

Please be in prayer for the tiny village of Dipling that they will be receptive to our team's visit and that BTW will have an impact on their lives to the glory of God.
